## Student Brick Campaign

Pathways...each of us choose a path to follow and in life sometimes our pathways change. For over 120 years, thousands and thousands of students have walked the pathways surrounding Campbell University on their way to fulfilling their personal and spiritual goals.

Throughout these many years, worship services have occurred on campus, but never in a University Chapel. The Robert H. and Anna Gardner Butler Chapel will reside in the heart of campus on academic circle. It will be a place for weddings and funerals, guest speakers and musicians, worship and prayer. It will provide both comfort and support, becoming a place where lives are challenged, encouraged and changed.

The University Chapel will reflect the Campbell mission and stand as a reminder that worship is central to the life of the University. The Sanctuary will seat over 400 and will feature a beautiful pipe organ that will be integrated into the design of the interior wood details of the

sanctuary. Another focal point will be the beautiful stained glass windows visible from the core of the campus and academic circle.

The bell tower in the chapel complex will be the tallest point on campus and will house a series of melodious bells that will chime at times of celebrations and special events.

The brick pathway surrounding the University Chapel will be a walkway filled with the names of alumni, students and friends who support the mission of Campbell University.

You can leave your mark by purchasing a personalized brick for the Butler Chapel complex. Your tax-deductible contribution will reserve your brick. This is a great way to recognize a friend, honor a loved one, congratulate a recent graduate and/or leave your mark. All proceeds go to support the construction and maintenance endowment for the Robert H. and Anna Gardner Butler Chapel.

**Engraved bricks are 4" x 8" and are priced at \$60 each for currently enrolled students. This is a \$65 savings over the price for alumni and friends.**
