

Final Exam
Ed 685/Div 5649

Answer 10 of the following questions. Limit your answers to the questions below to one typed page, one side only: (10 pts each)

1. List and describe the 5 elements of ethical counseling. Respond to the statement:
"Christian counselors should be concerned with a higher standard than the professional codes of ethics"
2. Discuss the intersection of race, ethnicity, religion, and culture.
3. Pick one religious group we have talked about and discuss them. Include in your discussion:
 - (1) basic beliefs
 - (2) social-moral positions
 - (3) possible issues in therapy
 - (4) appropriate and inappropriate counseling interventions
4. Describe a healthy faith. What implications does faith have for other types of health (physical, emotional, etc.)?
5. Discuss the use and misuse of forgiveness as a counseling intervention.

6. Describe the 4 sets of preferences in the MBTI. How does your MBTI type affect how you express your spirituality?
7. Briefly describe 3 insights you received from your supplemental reading and book report.
8. How can counselors better equip themselves to work with religious and spiritual diversity?
9. How can a counselor ethically deal with value conflicts?
10. What are some of the problems in doing a spiritual assessment of a client in counseling? Given these problems, why make the effort?
11. How can a counselor ethically work with religious beliefs? What is the difference between "imposing" and "exposing" your beliefs?
